Dear Harold,

Nov. 6, 1994

Enclosed you will find a copy of the letter I sent to Carroll & Graf. If I don't hear anything I can ask a local bookstore to make some inquiries. Also, you will find a copy of a review of a book on the history of conflict between the CIA and FBI. Brief, but inadequate mention is made of the Nosenko affair.

I am making steady but slow progress Posner v. Posner. I am taking it chapter by chapter, first reading the hardcover then the same chapter in the paperback. I am up to chapter 7, and I have been somewhat surprised that there have not been more revisions. But the ones I have detected further confirm his deceit. The non-sourced quote seems to be a favorite technique to sneak in more falsehoods.

Take care,

Best,

Jerry
